

Warrington Chemical Works

March 19<sup>th</sup> 1860

Master & Refiner  
U. S. Mint

Sir

Mr. Phillips having informed me of a  
complaint preferred against the last two Bbls. fused  
Borax sent you - allow me to state that the  
Borax (a portion of 20 Cases) underwent fusion in  
the usual manner under my personal supervision,  
and that I am prepared to certify that there was no  
adulteration of any description practiced

Yours Respectly

Thos. W. Proby

Manager & Chemist
